Re: Ex Parte Communication, WC Docket 11-59

Dear Ms. Dortch,

On July 9, 2012, Jonathan Campbell, Alison Nemeth, D. Zachary Champ and the undersigned of PCIA—The Wireless Infrastructure Association (“Parties”) met with Paul Murray, Acting Legal Advisor for Wireless Issues, Office of Commissioner Rosenworcel.

Consistent with the attached handout, the Parties introduced the wireless infrastructure industry, detailed our work at PCIA—The Wireless Infrastructure Association, and discussed current regulatory issues affecting our members. To the extent that questions were raised regarding specific barriers to deployment and potential solutions, the Parties referred to the vast resources available on docket for the Notice of Inquiry in the matter of Acceleration of Broadband Deployment: Expanding the Reach and Reducing the Cost of Broadband Deployment by Improving Policies Regarding Public Rights of Way and Wireless Facilities Siting (WC Docket No. 11-59) and urged action consistent with our comments therein.

Pursuant to Section 1.1206 of the Commission’s rules, this letter will be filed via ECFS, and a copy will be provided to the attendee. Please do not hesitate to contact the undersigned with any questions.

Sincerely,

          /s/
